Property Offering

Major Properties, as the exclusive listing agent, is pleased to present this rare opportunity to purchase three adjoining properties: 611 E 7th Street, 646 S San Pedro Street and 649 Crocker Street, located in the heart of Downtown Los Angeles. Located at the northeast corner of 7th Street and San Pedro Street with frontage on three streets, the site is adjacent to the DTLA Fashion District and Arts District, and is close to LA LIVE, Crypto.com Arena, and the Los Angeles Convention Center

This site is just six blocks away from the master planned East End Studios Arts District campus development project. East End Studios, which acquired the 15-acre project site in 2022, is seeking city approvals to raze an existing industrial facility to clear the way for a new complex consisting of 300,000 square feet of offices, 70,000 square feet of studio support spaces, and 16 soundstages. Total plans call for 720,000 square feet of leasable space, including rooftop decks.

ROW DTLA is just seven blocks south of the subject property. ROW DTLA, built as a distribution hub for the Southern Pacific Railroad, has been repurposed by New York-based real estate investment firm Atlas Capital Group as 1.3 million square feet of office space with ground-floor shops and restaurants.

Downtown Los Angeles is the primary hub of commercial activity for Los Angeles. It is the most significant job center in the region, a diverse collection of thriving urban neighborhoods, and a popular destination with national and global recognition. The growth of the residential community over the past two decades has reshaped Downtown's identity. DTLA is unique among all residential neighborhoods in the region in offering a true urban experience, and is one of the top reasons people choose to live here.

The 7th & San Pedro property presents a savvy investor or developer a prime purchase opportunity.
